G035183 RONALD E. LAIS
 v.
 BONNIE RUSSELL BARBER

Order filed. On March 14, 2005, the court advised the parties it was considering dismissing the appeal on its own motion because it appeared it was from a nonappealable order. The notice of appeal states that it is from a “minute order on a motion for reconsideration of the non-appealability of a Notice of Ruling and to enter judgment on a special motion to strike under CCP 425.16.” The parties were invited to file letter briefs addressing the jurisdiction of this court to entertain the appeal, which they did. Having reviewed the case file in this appeal (including the prior notice of appeal), the letter briefs submitted by the parties, and the case file in G031084, the prior appeal (including the clerk’s transcript and the order dismissing the appeal for failure to timely file an appellant’s opening brief after notice having been given pursuant to California Rules of Court, rule 17), it is apparent this court has no jurisdiction. Accordingly, on the court’s own motion, the appeal is dismissed.
